Grade 6

Dear Parents

We would like to take this opportunity to welcome you and your child to Ariston Christian School. We trust that you will enjoy 2024 with us.

Please ensure that your child starts the year with the correct uniform and that all items of uniform are **clearly marked** with your child's first name and surname. This assists greatly when lost items of uniform and bags are found on campus.

Each child receives a homework diary from the school upon registration, so they must not purchase one. The cost of a replacement school diary is **R50**. We'll also institute a fee for reprints of reports. This will cost **R10** per report.

Please note that all the items on the list below, are the **minimum stationery requirements** for school year, and your child's stationery will need to be topped up throughout the year. Please do a thorough check of your child's stationery before the start of every new term so that any items that are lost or used up can be replenished. All stationery **must be clearly marked** and it is each learners' responsibility to look after his/her own stationery.

Please ensure that all textbooks, workbooks and modules are clearly marked.
